

# 55 KIP KOURRIER

**SPECIAL EDITION**

**"KEEPING SENIORS AGELESS"**

**APRIL 2020**

Dear Members and Friends,

I want to take this opportunity to reassure our Members and Home Friends that while this is an unprecedented time we are going through, 55 Kip Center remains steadfast in our mission. We continue to be a community focal point where we can provide essential services and support to our membership. Even though our doors remain shut, we are a phone call or email away. As the situation evolves, we will strive to find ways to be there when you need us the most.

Kip Center's **Home Friends Program** continues to assist our seniors. We have volunteers standing by to go food shopping for anyone needing help, especially during this crucial time. This service is available to residents outside of Rutherford as well. Call **Cathy** at **201-460-1600** or email **cathy@55kipcenter.org**.

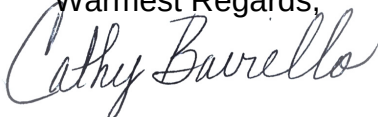

**Please note: Calls will be returned within 24 hours Monday -Thursday.**

The Covid-19 Pandemic is a very serious and scary situation that we are ALL in together. Taking care of yourself must be a top priority. It is a State mandate; all residents of New Jersey must stay at home, with few exceptions, such as obtaining essential goods or services, and/or seeking medical attention. Please heed these warnings.

While you are safe at home, I have been helping with Meals on Wheels delivery, coordinating grocery shoppers for members, home checks and setting up calls just to say hello.

We look forward to a time when the doors reopen and our beloved 55 Kip Center is bursting with activity and most importantly YOU! Stay safe and healthy and please reach out if you need anything!

Warmest Regards,

Cathy Baviello  
Executive Director
